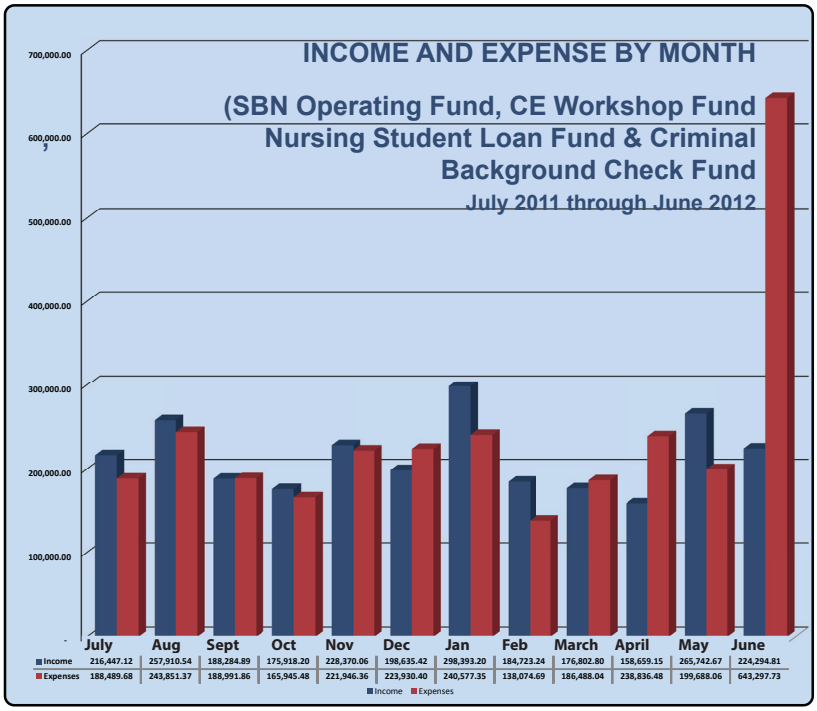
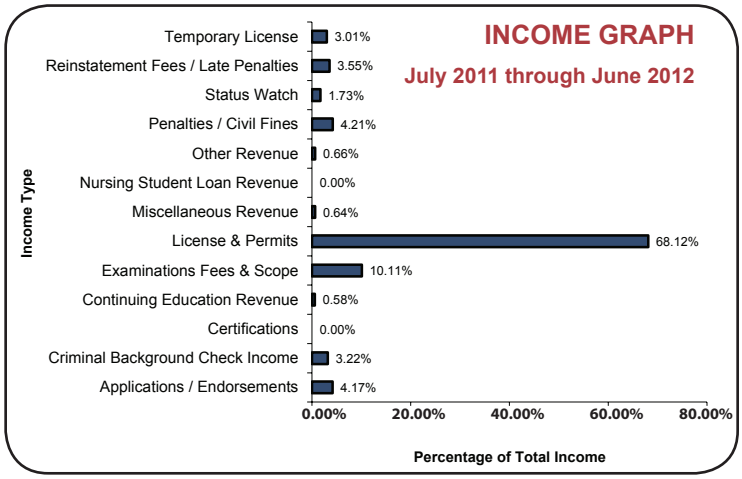
# Budget

The Arkansas State Board of Nursing does not receive appropriations of general revenue from the state. Nurse licensure fees constitute the agency's primary financial support. The FY 2012 total revenue was $2,574,182.10. Expenses for the fiscal year totaled $2,840,448.54. Total revenue and expenses includes Board of Nursing operating fund, nursing student loan fund, continuing education workshop fund and criminal background check fund.



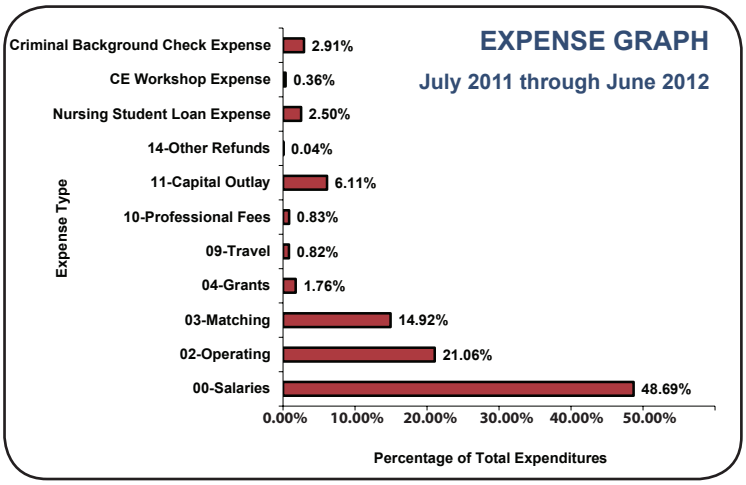
The Board is required to pay 1.5 percent of revenue fees to the Treasury of the State of Arkansas. These funds are credited to the State's General Fund for appropriation to various other agencies and services of state government. The Board paid $39,668.96 to the General Fund for FY 2012. The financial statements and graphs on the following pages reflect the breakdown of revenue and expenses for the fiscal year 2012.

The Nursing Student Loan fund, titled the Faith A. Fields Nursing Scholarship Loan, is a separate fund used only for the purpose of providing loan/scholarships to nursing students and nurse educator students. The program is funded by donations that are deposited into the designated fund. From these funds, nursing students are awarded loans that can become scholarships if they work in the state of Arkansas for one calendar year after graduation and licensure.



The Continuing Education fund is also a separate fund that allows the Board of Nursing to collect registration fees for the educational workshops provided by the Board of Nursing. The designated funds from the registration fees are used to offset the costs associated with providing this service.

The Criminal Background Check fund is a separate cash fund the Board uses to collect and submit payments for the federal and state criminal background checks for applicants and employees. This fund was established to allow ASBN to run the background checks online. Online processing shortens the time to receive the results and speeds the application process.



The ending balance in the operating fund as of June 30, 2012 was $2,523,512.81. The balance in the NNB (Continuing Education Workshop) Fund was $43,730.28. The balance in the NNB (Nursing Loan) Fund was $384,841.29. The balance in the NNB (Criminal Background Check) Fund was $7,372.79.

# Discipline

The Arkansas *Nurse Practice Act* (NPA) and its *Rules* provide that the Board may deny, suspend, revoke, limit or otherwise discipline any license to practice nursing or certificate of prescriptive authority for certain causes. These causes include: (1) is guilty of fraud or deceit in procuring or attempting to procure a license to practice nursing; (2) is guilty of a crime or gross immorality; (3) is unfit or incompetent by reason of negligence, habits, or other causes; (4) is habitually intemperate or is addicted to the use of habit-forming drugs; (5) is mentally incompetent; (6) is guilty of unprofessional conduct; (7) has had a license, certificate, or registration revoked, suspended or placed on probation or under disciplinary order in any jurisdiction; (8) has voluntarily surrendered a license, certification, or registration and has not been reinstated in any jurisdiction; or (9) has willfully or repeatedly violated any of the provisions of any chapter of the Arkansas NPA. The Arkansas NPA further provides that the Board shall refuse to issue or shall revoke the license of any person who is found guilty of or pleads guilty or nolo contendere to any offense listed in §17-87-312(e).

Inquiries and reports to the Board concerning safety in individual nursing practice continue to increase. Investigations of these inquiries and reports are completed by Board staff, legal counsel, contract investigators or other governmental agencies. During its investigations, the staff has continued to emphasize the Board's commitment to the due process afforded each licensee under the provisions of the Arkansas NPA and the Administrative Procedures Act as well as the Board's charge to protect the public. During the reporting period, 1,592 cases were opened, 432 cases were pending and 1,577 complaints were closed. At the end of the reporting period 58 cases were awaiting hearings and 82 cases were awaiting consent agreements.

# Disciplinary Action by the Board of Nursing

One of the methods used by the Board of Nursing to insure protection of the public is to cause the prosecution of persons violating provisions of sections 17-87-101 through 17-87-402 of the Arkansas *Nurse Practice Act.* The following is the order of disciplinary proceedings against nurses in the state of Arkansas:

## LETTER OF COMPLAINT RECEIVED

| | | |
|---|---|---|
| Reviewed by Board Staff | → | Request a formal investigation<br>Gathers additional information<br>Determines additional information not needed<br>Determines charges of violation of *Nurse Practice Act* |
| General Counsel reviews complaints and investigative information | → | Determines whether disciplinary action should be pursued. |

## IF DISCIPLINARY ACTION IS PURSUED, THIS CAN BE ACCOMPLISHED IN ONE OF TWO WAYS:

### CONSENT AGREEMENT

The Board staff determines the violations and proposed stipulations. Board Attorney draws up a legally binding agreement.

↓

The licensee receives a copy of the Agreement, agrees to the terms, including waiving their right to a hearing before the Board, signs the agreement, and returns it to the Board office. (If the licensee refuses to sign the agreement, the Disciplinary Hearing process begins.)

↓

Board attorney and a staff witness sign the Consent Agreement and forward it to the Board.

↓

Board President signs the Consent Agreement following a majority approval by the Board.

### DISCIPLINARY HEARING

The General Counsel files formal charges. This may be done initially or after the licensee refuses a Consent Agreement.

↓

Disciplinary Hearing is Held

If the Board finds the nurse violated the *Nurse Practice Act*:

↓

Disciplinary Order
The Board issues an Order setting forth the discipline. (reprimand, probation, suspension, revocation or limitation)

The Order becomes effective the day it is signed.

↓

Appeal

The licensee may appeal this decision to the circuit court of the county in which he or she resides or the Circuit Court of Pulaski County, AR.

If the Board finds that the conduct which was charged did not occur or that the conduct which did occur is not a violation of the *Nurse Practice Act*, the case is dismissed and no further action is taken.

# Licensure

The *Nurse Practice Act* requires that any person practicing as a(n)

- Registered Nurse
- Advanced Practice Nurse
- Registered Nurse Practitioner
- Practical Nurse, or
- Psychiatric Technician Nurse

in this state shall be licensed by the Arkansas State Board of Nursing. Legislation enacted in 1979 authorized the licensing of registered nurse practitioners. Act 409 of 1995 created advanced practice nurse licensure. This licensure includes the previous categories of certified registered nurse anesthetist and certified nurse midwives and adds licensure of advanced nurse practitioners and clinical nurse specialists. Appendix B gives totals of nurses licensed in Arkansas by licensure category and county of residence. The information is derived from those questions that are completed on the licensure renewal forms. Incomplete data indicates that the licensee did not provide that information.

## Advanced Practice

The table below lists the numbers of Advanced Practice Nurses granted initial licensure and endorsement in Arkansas during the reporting period:

| Advanced Practice Nurses Licensure<br>July 1, 2011 - June 30, 2012 | |
|---|---|
| Advanced Nurse Practitioners | 157 |
| Certified Registered Nurse Anesthetists | 55 |
| Clinical Nurse Specialists | 8 |
| Certified Nurse Midwives | 1 |
| **TOTAL** | **221** |

## Advanced Practice — Prescriptive Authority

Act 409 of 1995 gave the Board authority to grant certificates of prescriptive authority to qualified advanced practice nurses. Advanced Practice licensure categories and numbers of licensees granted a certificate of prescriptive authority during the reporting period are identified below:

| Advanced Practice Nurses Granted Prescriptive Authority<br>July 1, 2011 - June 30, 2012 | |

# Examinations

Licensure examinations for registered nurse and practical nurse candidates are administered via computerize-adaptive testing. State boards of nursing contract with the National Council of State Boards of Nursing (NCSBN) for these examinations. In Arkansas, tests are administered by technology centers located in Little Rock, Fort Smith and Texarkana. A candidate may test at any center nationwide or internationally for licensure by the Board that provided authorization to test.

The licensure examinations have one purpose: to test knowledge, skills and abilities essential to the safe and effective practice of nursing at the entry level. The use of national RN and PN examinations facilitates licensure by endorsement from one jurisdiction to another. The passing standard is set by a panel of practicing nurses who are knowledgeable of entry-level nursing practice. Membership on the panel is open to all NCSBN jurisdictions. Examination results are reported to boards of nursing and to the candidates as either "pass" or "fail". Unsuccessful candidates are provided with a performance report that gives information on areas for remedial study.

The Board participates in the test development system administered by the testing service of the NCSBN. The Arkansas Board approves practicing nurses to participate in RN and PN item writing, item review, and standard-setting panels.

Graduates of an approved nursing program are eligible for licensure in Arkansas after passing the National Council Licensure Exam (NCLEX®). The number of registered nurse and licensed practical nurse licenses issued by examination is shown in the following table:

| Licensure by Examination<br>July 1, 2011 - June 30, 2012 | |
|---|---|
| Registered Nurses | 1,821 |
| Practical Nurses | 1,122 |
| **TOTAL** | **2,943** |

# Endorsements

Pursuant to the Arkansas *Nurse Practice Act*, the Board may issue a license to practice nursing by endorsement to an applicant who is duly licensed as a nurse under the laws of another state, territory or foreign country if the applicant meets Board qualifications. Applicants for endorsement must have successfully completed a nursing education program, the appropriate NCLEX®, and must be verified by the jurisdiction of original licensure. In addition to these requirements, advanced practice nurses shall have documentation of current unencumbered advanced practice license/authority to practice in another jurisdiction. Nurses licensed in Arkansas by interstate endorsement from each state during the reporting period is shown in the following table:

# Medication Assistants - Certified

Act 1423 of 2005 gave the Board authority to grant certification to qualified unlicensed persons to administer certain medications in facilities determined by the Board. The Board decided to allow medication assistants only in Arkansas nursing homes in which nursing supervision is available and nurse patient ratios are legislatively required. This authorization included persons who have met certain qualifications in Arkansas or who have met substantially similar qualifications and held similar credentials under the law in another state. In addition, in 2007, persons who have completed a certain portion of a nursing education program may be eligible to take the certification exam and work as a certified medication assistant if successful. The numbers of medication assistants granted certification in Arkansas during the reporting period is shown in the following table:

| Medication Assistants - Certified<br>July 1, 2011 - June 30, 2012 | |

| Medication Assistants-certifed by examination | 1 |
| Medication Assistants-certified by endorsement | 0 |

# Renewals

The *Nurse Practice Act* requires biennial license renewal for practicing nurses. Renewal reminders are mailed at least thirty days before the license expiration date. Nurses who allow their licenses to lapse and who have not practiced nursing during the preceding licensure period may be reinstated upon request, payment of the renewal fee and late penalty, and after meeting the continuing education requirements. Nurses who do not renew are in good standing as long as they do not practice nursing in Arkansas. Legislation to require continuing education prior to license renewal was passed in the 2001 Legislative session.

## Retired

Any licensee in good standing, who desires to retire from the practice of nursing for any length of time in this state, submits a written request, surrenders the current license and pay the required fee and current license shall be placed on inactive status and a retired license issued. A retired license shall be renewed biennially following submission of a retired renewal application and fee. While retired, the licensee shall not practice nursing. However, the nurse may use respective credentials. When the licensee desires to resume practice, he or she shall request a renewal application, which shall be completed and submitted with a reinstatement fee and the active renewal fee. If the retired license is allowed to lapse, the licensee shall not hold himself or herself out as an RN, LPN or LPTN, and pays a reinstatement fee in addition to the fee required for renewal of the retired license.

## Temporary Permits

Temporary permits may be issued to Arkansas licensed nurses who are graduates of a nursing program. This permit allows a nurse to practice between graduation and receipt of results of the first examination for which the licensee is eligible. The number of temporary permits issued during the reporting period is shown in the following table:

| Temporary Permits - Examination Applicants<br>July 1, 2011 - June 30, 2012 | |

An amendment to the *Nurse Practice Act* enacted by the 1980 Special Session of the Legislature, provided for issuing temporary permits to qualified endorsement applicants holding current licensure in other states. The number of temporary permits issued to advanced practice, registered nurse, licensed practical nurse, and licensed psychiatric technician nurse endorsement applicants during the reporting period is shown in the following table:

# Education

Continuing education for license renewal and reinstatement was mandated by Act 86 of the 2001 Arkansas legislative session. The regulations were put into effect beginning July 1, 2003. Random audits for compliance with the continuing education requirements are conducted each month. One hundred ninety-nine nurses were audited with a 96.5 percent compliance rate. Six Letters of Warning were issued for meeting the continuing education requirements after the nursing license was renewed. One Letter of Reprimand was issued for failing to meet the continuing education requirements.

The Arkansas State Board of Nursing approves programs preparing registered nurse and practical nurse candidates for licensure. The *Nurse Practice Act* requires that the Board prescribe minimum standards, approve curricula and survey educational programs through its authorized representative. During the reporting period, four registered nurse and four practical nurse programs were surveyed. Curriculum consultation and lectures by Board staff were provided to nursing education programs throughout the state.

Federal and Arkansas criminal background checks are required of all individuals applying for an initial license in Arkansas. During the 2011-2012 fiscal year, approximately 4,335 Arkansas criminal background checks and 4,268 federal criminal background checks were entered into the board's database. There were 1,521 investigations completed on applicants with a positive criminal background check.

The roster of ASBN approved medication assistant and nursing programs which lead to licensure or certification is included as Appendix A of this report.

Enrollment in the educational programs is reported to the Board in a report submitted by program directors annually in December. Enrollment figures reported for the three-year period (2009-2011) are shown on the following pages of this report. For consistency in data collection, the term "nursing major" was defined in 1993. Nursing major includes only those students in nursing courses and accepted for the degree or diploma program.

# Program Approval Status

The Arkansas State Board of Nursing has statutory authority to oversee nursing educational program compliance with mandated regulations and educational standards as established by the Arkansas legislature. A nursing program that is approved initially progresses through a three- tiered process of approval that includes Prerequisite Approval, Initial Approval and Full Approval.

A nursing program that is approved continues to be reviewed for continued compliance with the educational standards as delineated in the Rules. The staff periodically conducts a program review to verify compliance. A new program has an on–site survey three (3) years after initial full approval. Established programs have an on-site survey every five (5) years or if they have continued accreditation status from a national nursing accreditation organization and maintain a National Council Licensure Examination (NCLEX®) passage rate of 75 percent or higher; they are allowed to submit a paper survey to ASBN versus an on-site review. There are two (2) approval designations for established programs that prepare graduates for licensure that include Continued Full Approval and Conditional Approval.
